CCW DRILLS

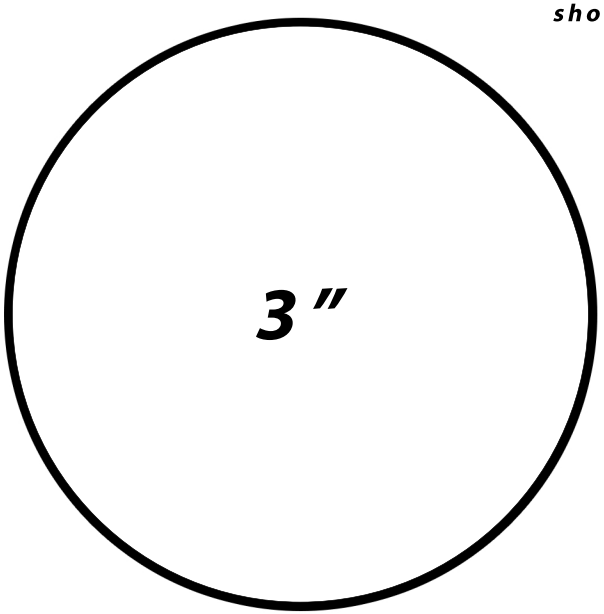
7 - 7 - 7

7 yards - 7 shots - 7 seconds

Shooter will draw and place one shot in the upper left 1″ cirlce, transition to the upper right 2″ circle and place two shots inside it. Then conduct a slice lock reload and put three shots in the bottom left 3″ circle, then transition to the bottom right 1″ circle and place one shot inside.

This drill works on accuracy, throttle control, firearm manipulation and recoil management.

2 - Mags
Mag 1 - 3 rounds
Mag 2 - 4 rounds



Any shots breaking the circle are considered in.

Challenge Level: High
